

Sheepfold Crescent, Barrow Brook

Traffic Management Strategy

- All sub-contract and purchase orders will contain the site 'Traffic Management Strategy' to ensure that they are aware of the restrictions when delivering plant or materials to the site.
- All deliveries shall be where possible between the hours of 9.00am – 15.00pm, Monday – Friday off the A59, deliveries outside of these timescales will be restricted and will only be approved by prior arrangement
- Delivery route into site should come off the A59
- All delivery wagons should be rigid where possible, any delivery requiring Articulated wagons should be discussed prior with Highbrook Homes Site Manager

- Delivery wagons approaching site should contact the Site Manager prior to approaching site to ensure that we can receive delivery, deliveries will then be unloaded as directly into the compound
- There must be no reversing into or off the estate road at any time – all vehicles entering the site must do so in a forward gear, and turn around in the site before exiting in a forward gear into the public highway
- All wagons will be loaded & unloaded in to the material compound or where directed by the Site Manager within the confines of the site boundary
- No materials will be stored, loaded or unloaded outside of the site boundary
- Vehicles must only access the site using the designated vehicular access point
- There must be no standing or waiting of machinery or vehicles in the public highway at any time.
- All references to public highway include footway as well as verge and carriageway.
