4. Details of the proposed development

Is the proposal reasonably required for the purposes of agriculture? (Please explain why)

There is no livestock building on the farm to accommodate the sheep at lambing or the beef cows over winter.

Is the proposed development designed for the purposes of agriculture? (Please explain how)

The building is providing the correct space allowances for the number and type of livestock

Are there any future plans that are relevant to the proposed development? (Expansion of herd/ diversification ect.)

No

5. Any further information
