Dear Mr Macholc,

Planning Application: 3/2021/0857

Proposed erection of a Class B2 (light industrial) building on former coach depot. Build of random stone height 1200mm with green metal sheet cladding above and green metal sheet roofing with roof lights. Pimlico House, Gisburn Road, Gisburn

I have checked our records and the proposed development site is considered to have negligible archaeological potential. I advise that archaeology does not need to be considered further for this application.

Yours sincerely

Doug Moir
