This email originated from outside Ribble Valley Borough Council. Do **NOT** click links or open attachments unless you recognize the sender and are sure the content within this email is safe.

Following the meeting of the parish council, objections were raised regarding this planning application for the following reasons;

1. the close proximity to both neighbouring properties, which if either decide to increase their footprint, would mean hardly any space between dwellings.
- .2. increasing the height is encroaching more on the space vertically.
