I have no major objection to the proposed plans regarding Broadfold Farm.

I do have concerns with regard [REDACTED]
[REDACTED] If these velux windows are in the roof and well above normal head height when [REDACTED] then I think they pose no problem but it is impossible for me to tell from the plans at what height the slope of the roof begins in the bedrooms affected.

[REDACTED]

I would appreciate it if clear instructions in this regard could be given by the planners.
