

Location Plan for 8A The Dene Hurst Green

Identifying the application site -The application site is edged clearly with a red line.

It includes all land necessary to carry out the proposed development and land required for access to the site from a public highway including visibility splays, landscaping, car parking and open areas around buildings. A Blue line has been drawn around other land owned by my wife and I.

The plan has been purchased through UK Planning maps, is up-to-date and is in OS Scale of 1:1250.

The plan includes two named roads and the surrounding buildings are numbered for clear identification.
