Dear Ms. Eastwood

3/2021/1153- infill site adjacent to 9 Old Road Chatburn

Chatburn Parish Council has viewed the above planning application and has the following observations to make:

- The proposed development will have serious detrimental implications to No. 9 Old Road due to the loss of light in the main living quarters.
- The proposed development will also be an intrusion of privacy to No 9 Old Road
- Chatburn has already had the mandatory quota of housing developments.

Kind regards

Sheila Sturrock
Clerk
