Further to consultation with members of the parish council, I and wanting to encourage local businesses, concerns have been raised that this appears to be extending the garden centre towards the A59. At the moment, despite the big advertising signs, the garden centre is set well back from the road and passing vehicles get virtually uninterrupted green fields until the new development at Northcote. If it were to be approved, could we ask for it to be fully screened by trees/bushes?

Billington and Langho Parish Council

Clerk to Billington and Langho Parish Council
