Mr. A. Dowd
Planning Officer
Ribble Valley Borough Council
Church Walk

Dear Mr. Dowd

Planning Application No. 3/2021/1237 - Proposed first floor extension over an existing single storey classroom, Chatburn CE Primary School, Sawley Road

Chatburn Parish Council has viewed the above planning application and has the following observations to make:

- The red boundary lines include the playground and the area beside the church wall both of which belong to the parish council.
- The area for the equipment is sited near the playing field entrance and a large area identified for the provision of a worker's cabin both of which are on parish council land.
- There are several anomalies in the application which must be addressed

This planning application should be immediately withdrawn and arrangements made for the Diocese to meet for discussions with the parish council. Following the previous planning application it took years for the Diocese to admit responsibility for repairing the extensive damage done to the playing field entrance and a repeat of this would be totally unacceptable.

Kind regards

Sheila Sturrock
Clerk
