FAO Stephen Kilmartin

Dear Sir/Madam

Application no: **3/2021/1271**

Address: **Pinfold Farm Preston Road Ribchester PR3 3YD**

Proposal: **Proposed demolition of agricultural buildings, erection of a detached dwelling and garage.**

The Local Highway Authority have viewed the plans and highway related documents and have the following comments to make:

Summary

No objection subject to conditions

Lancashire County Council acting as the Local Highway Authority does not raise an objection regarding the proposed development and are of the opinion that the proposed development will not have a significant impact on highway safety, capacity or amenity in the immediate vicinity of the site subject to the following conditions being stated on any approval.

Advice to Local Planning Authority

Introduction

The Local Highway Authority (LHA) are in receipt of an application for the proposed demolition of two agricultural buildings and an erection of a dwelling at Pinfold Farm, Preston Road, Ribchester.

The LHA are aware of the relevant planning history at the site with it being listed below:

3/2021/0096- Proposed change of use from agricultural building to one dwelling and associated operational development. Refused 23/02/2021.

Phil Durnell

Director of highways and Transport
Lancashire County Council
PO Box 100 • County Hall • Preston • PR1 0LD
www.lancashire.gov.uk

APP/T2350/W/21/3274371- Application 3/2021/0096 appealed. Application allowed 25/08/2021.

3/2021/0083- Proposed demolition of concrete block and timber agricultural building under a box profile roof. Permitted 15/03/2021.

3/2020/0855- Proposed change of use from agricultural building to one dwelling and associated operational development. Refused 11/12/2020.

It is worth noting that the application is for the appeal site which was permitted by the Planning Inspectorate under application reference APP/T2350/W/21/3274371.

However, the proposal now is aiming to demolish the agricultural building and build a dwelling on its footprint rather than convert it into a dwelling which was permitted under the prior notification application, following the appeal.

Site Access

The LHA are aware that the proposed dwelling will be accessed from a private, unadopted access track which serves neighbouring dwellings and the site.

The private track is located off Preston Road which is a B classified road subject to a 60mph speed limit.

The LHA have reviewed Holden drawing number 002 Rev B titled "Site Plans" and are aware that the access to the proposal has already been approved by the LHA under application reference 3/2020/0855, which was for the same scheme at the site. Therefore, given the access remains unaltered and the proposal will not fully intensify the use of the access, the LHA have no objection to the proposal.

Highway Safety

There have been no Personal Injury Collisions recorded within 400m of the site and therefore the LHA have no pre-existing highway safety concerns.

Internal Layout

The LHA have reviewed Holden drawing number 002 Rev B titled "Site Plans" and are satisfied that the parking arrangements comply with the LHAs parking guidance found in the Joint Lancashire Structure Plan. Therefore, the LHA have no further comments to make.

Conditions

1. The development hereby permitted shall not be occupied until such time as the parking and turning facilities have been implemented in accordance with Holden drawing number 002 Rev B. Thereafter the onsite parking provision shall be so maintained in perpetuity.

REASON: To ensure that adequate off-street parking provision is made to reduce the possibility of the proposed development leading to on-street parking problems locally and to enable vehicles to enter and leave the site in a forward direction in the interests of highway safety and in accordance with the National Planning Policy Framework (2021).

Yours faithfully

Ryan Derbyshire
Assistant Engineer
