

CHANGE OF USE OF REDUNDANT BARN TO FORM ONE UNIT OF RESIDENTIAL ACCOMMODATION

AT: TWITTER BRIDGE FARM BARN, TWITTER BRIDGE FARM, TWITTER LANE, WADDINGTON

Condition 6 – 3/2018/0750

Prior to commencement of work on the building precise details of a scheme for the incorporation of bat boxes shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented before occupation of the building and thereafter retained in perpetuity.

REASON: To the interest of safeguarding local habitat.

In order to achieve compliance with this condition it is proposed to install 2 no. Greenwoods Ecohabitats two crevice boxes attached to trees on the site boundary as advised by Dave Anderson MSc who undertook and prepared the Preliminary Ecological Assessment which accompanied the planning application.
