Dear Sirs

I am writing to comment on the above application which relates to land immediately [REDACTED]
[REDACTED]

please note I have no objection to the proposal so long as trees and shrubs are planted in the area between the south elevation of the proposed building and [REDACTED] - to replace those which have been removed

I note the proposed building is described as single storey although it is effectively two-storey since there is a first floor as described on the various plans which are part of the application

[REDACTED]
