Description of Proposed Works

Please describe the proposed works

We wish to put a new ground floor window into the side wall of our house to allow natural light into our kitchen. In September 2020 we completed a rear house extension (RVBC ref 3/2019/0765/B), which has unfortunately made the kitchen dark. We would use matching materials to those used for the extension and the other houses on the estate, with obscured/frosted glass and an opener. The window would face across a shared drive with our neighbours, whose house already has windows facing out onto the driveway. I have spoken to our neighbours and they have no issue with the planned work going ahead.

Has the work already been started without consent?

It is an important principle of decision-making that the process is open and transparent.
