Planning Application Reference No.: 3/2022/0184

Address of Development: Land off Hawthorne Farm, Hawthorne Place, Clitheroe BB72HU

Comments: Dear Sir/Madam,

We live at [REDACTED] Persimmon Development.

The erection of a 6m high x 4m wide signage and flags [REDACTED] will affect us in the following ways

- 1 Significantly reduce incident [REDACTED]
- 2 [REDACTED] maintaining [REDACTED] wooden fence and garden shed
- 3 Noise pollution from several flags flapping in the slightest breeze
- 4 Intrusive visual impact from [REDACTED]

At the end of the road it will be patently obvious where the development is without the need for Flags and huge hoardings. Presumably there will be signage directing potential buyers from Waddington Road onto Hawthorne Place.

I hope you will consider these objections as reasonable and amend the plans bearing in mind we would have at least 18mths of impact on our lives

Yours faithfully [REDACTED]
