Planning Application No – 3/2022/2017

Proposed Erection of Aluminium Advertising Boards Surrounding Football Pitch.

For The Attention of Laura Eastwood

I wish to register my strong objection to this application.

Firstly, the playing fields are for the use of all Chipping residents and not exclusively for Chipping football club it is a community playing Field.

Secondly, Chipping village is in an area of outstanding natural beauty, and the erection of these boards would certainly not be in keeping with the rural aspect of the village, it would be a blot on the landscape.

I Hope these aspects will be considered when dealing with this application.

Yours Faithfully
