14th March 2022

Dear sirs

Planning Approval 3/2021/0595. Land at Preston Road, Ribchester.

We submit application for Discharge of Condition of application 3/2021/0595.

Conditions are:

4. Drainages – the proposed scheme is shown on 21/145/7 attached and proposals are simplified as rainwater from the log cabins will discharge into water butts for recycling, and from the main building into soakaways and land drains around that building. Foul drainage is taken to a Biozone septic tank and details are attached.

14. Construction Management – a C M plan and statement is attached and shown on drawing no. 21/145/11.

Should you have any queries or require further information, please let me know.

Yours faithfully,
