Planning Application Reference No.: 3/2022/0377

Address of Development: 1 Brewery street Longridge and Berry Lane Longridge

Comments: Regarding the recent application I would like to address my concerns regarding the parking situation for the additional surgery and staff space.

Currently staff park on Brewery street affecting residents parking and significantly increasing the volume of traffic. This is a particular concern due to the residential home that is based on the street and also the minimal amount of parking already available within the immediate area. With the surgery expanding where would further staff and customers be expected to park?

Thank you.
