Lancashire

**Planning Application Reference No.:** 3/2022/0414

**Address of Development:** Carr hall whalley rd

**Comments:** Although we haven't received official notification we are regular users of the public right of way through Carr hall so have interest in the proposals. Work does appear to have already started and the site is clearly visible from the existing right of way contrary to the application. Additionally the right of way has already been damaged by the ongoing site works and there is no sign of it being repaired.
