Planning Application Reference No.: 3/2022/0421

Address of Development: 21 Paris, Ramsgreave.

Comments: I do not object to the change to the porch structure at the front of the development. I do object to the insertion of the roof lights to the front of the dwelling and at the rear. They will have a significant impact on the

[REDACTED] as the roof lights at the front will afford the occupiers [REDACTED]

[REDACTED] The roof lights at the rear will also have a huge impact to [REDACTED] and will again [REDACTED]

[REDACTED] I would also query why the roof lights are required in storage areas of the new development and again I suspect the applicant is again misleading the authority and that these will areas will obviously be additional bedrooms. The plans are again inaccurate and once again show the garage of the new build being built directly at the boundary wall when it should be 90 cm away to ensure they do not cause further damage.
