FOR THE ATTENTION OF MR ADRIAN DOWD

Dear Mr Dowd

RE LOWER ABBOTT HOUSE

We have already submitted our response regarding this latest planning application. One of our main objections was the proposed raising of the ridge height of this property by one metre.

The recently published press feature (please see below), which has been rejected by Planning Inspectors, highlights our concerns that this would not be in keeping with other historical properties in the area and could lead to precedents being taken.

We hope the content of this email is highlighted to any future planning meetings in respect of this application.

Regards
