Ref : Land Fronting 102, Ribchester Road.

In addition to my previous representations to the above Subject planning application, we would be very grateful if you would take into consideration the following additional representation concerning the above subject planning application, concerning the Amended Information Received.

We have a special desirability of preserving the parcel of unadopted land to the frontage to the development site being applied for.

[REDACTED] we fear the exploitation and abuse of the parcel of land, before, during and after any demolition of an old building and construction of a large detached property, in relation to the planning application 3/2022/0457.
