Dear Sir Planning Application No: 3/2022/0505

I wish to object to this planning application on the following grounds:-

- ① The height & length of the extension over the garage which 
- ② The proposed new window on that extension 

- ③ We assume there will be no first floor extension above the existing kitchen as this is not mentioned in the ^{proposed} planning application which we have received dated 24th June

Yours faithfully,
