**Planning Application Reference No.:** 3/2021/0556

**Address of Development:** 74 Higher Road, Longridge, PR3 3SY

**Comments:** I am against the build of 123 houses on the land behind 74 Higher Road, Longridge, PR3 3SY on the basis that significant wildlife live on this land which is good for the community, the well-being of the local residents and too much development is interfering with the local habitat for wildlife in this immediate area. In addition I believe that if this piece of land was utilised for more development the opportunity to increase crime by increasing accessibility of the two housing estates at the top and bottom of longridge through joining them would be detrimental to both areas. Incidentally this would also ruin [REDACTED] which will have an impact on our mental health and well-being.
