Planning Application Reference No.: 3/2022/0596

Address of Development: 27 Humber Street

Comments: The lights that have been installed are a nuisance as can be clearly seen on the photos submitted with the application. The lights are designed to illuminate the render and thus make the house visible from [REDACTED]. We should not have our attention drawn to this very large building. The application seems to state they are for security, [REDACTED] amenity lighting. There are far too many lights on the building and [REDACTED]
