[REDACTED]

Planning Application Reference No.: 3/2022/0622

Address of Development: The old corn mill Warwick street pr3 3eb

Comments: Regarding above planning application [REDACTED] are already finding disruptions ie waste removal vehicles limited access. Being asked to move [REDACTED] personal vehicles onto restricted parking which can not always be removed in the specified time. And also if the restrictions apply [REDACTED] residents already having one bar existing on the street will now have to encounter 2 bars meeting on a restricted street at simultaneous times hence extra noise and disruption and if staff and delivery can be done off Warwick street why can not clientele be off Warwick street . And also [REDACTED] are very concerned about the personnel vehicles being damaged by drunk clientele on restricted pathways
