Comments: We do not oppose the planning for the building just the access on Stanley street ,which is [REDACTED] and the building address is Warwick street.

There is insufficient parking down Stanley street for residents never mind customers of the establishment. Regarding the entrance off Stanley street we also feel groups will congregate outside as also happens with one bar which is already down here .the footpath we feel is inadequate for extra foot traffic and wheelchairs .and we feel the extra noise of these crowds would be detrimental to [REDACTED]
