Good morning,

Further to the revised plans having been submitted, the scheme remains unacceptable for reasons already outlined. Now that the trees have lost their leaves, the impact of the large wall of glass comprising the west elevation is particularly evident from the Woodfold Park drive, and wholly incongruous.

A number of key documents are still missing.

Has any consideration been given to the drainage of the swimming pool in an area without public sewers? How will chlorinated water be dealt with before discharge?

Regards,
