Sirs,

Thank you for your letter dated 05 August 2022. As the occupier of [REDACTED] I have forwarded a copy of this [REDACTED]

In respect of the application documents, I have no real comments except to say that this is a very ambitious project, far bigger than most property extensions.

I am concerned however about the timescales and duration of this build and likely disruption to neighbouring properties. Has the applicant provided any build programme showing the duration of this project? I also note that the property will extend [REDACTED] and query whether scaffolding may need to be erected [REDACTED] of the fence for some of the construction work to be completed.

Regards
