DEVELOPMENT PROPOSED: Regularisation of unauthorised outbuilding ancillary to dwelling.

AT: Thorneyholme Hall Newton Road Dunsop Bridge BB7 3BB

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

- 1) The proposed outbuilding, due to its excessive scale, design, and choice of materials, creates an over dominant feature in this location (open countryside) which is not ancillary to the main dwellinghouse and is at odds with the character of the surrounding area. It would be harmful to the intrinsic beauty and tranquillity of the AONB and there is no justification or mitigating circumstances that would outweigh this harm. As such the proposal is considered contrary to policies DMG1, DMG2 and EN2 of the Core Strategy for the Ribble Valley.

- 2) The proposed driveway with associated lighting columns and large area of car parking represents further encroachment into the open countryside that will create an urban and alien feature at this domestic property. It is considered that there is sufficient space within the confines of the existing built development at this site to accommodate domestic parking without the need for this additional car park. The proposal represents inappropriate development which is harmful to the rural character of the area and it is not considered that sufficient material considerations have been provided which outweigh the harm the development will have on the open countryside and AONB. As such the proposal is considered contrary to policies DMG1, DMG2 and EN2 of the Core Strategy for the Ribble Valley.

Note(s)

- 1) Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales. The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.
- 2) **PLEASE NOTE:** Notwithstanding the submitted plans the application has been assessed as an ancillary outbuilding and associated infrastructure in accordance with the application form

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

· If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

· If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

· If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
