Planning Application 3/2022/0678

Chipping Farm Shop, Wilsden.  
Garsterny Road, Chipping  
PR3 2QU

F.A.O. Kathryn Hughes

Chipping Parish Councillors consider that

The gazebos that have already been erected at this site are inappropriate as a permanent addition to this historic village, and in particular in such a prominent position.

The addition of perspex windows will make this structure look like a market stall, a point raised in the village.

Councillors object to this planning application 3/2022/0678 to allow gazebos to become permanent.
