Dear Sirs

I write on behalf of Slaidburn & Easington Parish Council regarding the above planning applications.

There have been some members of the electorate who have voiced their concerns regarding the planning applications and the following comments would wish to be put forward:

Is the building going to be maintained as a family home or a holiday home with multiple occupancy?

What is the purpose of the ancillary annexe accommodation?

There is going to be an increase in vehicles to the area, which in turn is going to potentially, cause parking issues for the local residents.

The increase in vehicles could cause issues for the local farmers accessing their fields.

The Parish Council would be grateful if you would kindly consider these comments when considering the planning application.

Yours faithfully  
Alison Robinson  
Clerk to Slaidburn & Easington Parish Council
