Dear Sir/Madam,

Re: Planning Application 3.20.20.05

I wish to register my objection to the above planning application for change of use of land on the west side of Eaves Hall Lane, from what is agricultural land, to a caravan site.

Eaves Hall Lane - the lane to nowhere - has seen increased traffic, due to the huge expansion of 'Three Rivers Caravan Park' and new businesses. Surely, another caravan site, however small, is a step too far!

Walking on the lane has become increasingly dangerous, with pedestrians having to step off the road, onto whatever space is available, to avoid the hazards of the 'greatly increased' traffic flow and narrowness of the lane - not withstanding the environmental impact.

Yours sincerely,
