Dear Mr. Dowd.

Whilst I understand and appreciate the note of your letter, I cannot make any objection/approval, without any indication of duration of job, duration of any disruption it may cause, any unnecessary objectionable noise that will occur throughout the process. Therefore, until I have more details I refuse to give my approval.

Additionally, I am told that the property in question (10 Talbot St) has back upstairs windows, not in compliance with a grade II listed building.
