Dear Sir / Madam

Re: Planning Application no. 3/2022/0722

Location : Mayfield, Slaidburn Road, Waddington, BB7 3JJ

We refer to your letter dated 26th September 2022 in connection with the above.

We have viewed the 1st application online (proposed agricultural steel frame building), and have since noticed a 2nd application (agricultural / commercial steel frame building), which we have also viewed online.

We do not wish to make any representations, and trust that Section 20 – Hours of Opening will be complied with.

Yours faithfully
