Comments:  would like to offer our support on the above application.

 think it's a wonderful addition to the Ribble Valley which brings many different groups into the local area, encouraging support for surrounding businesses.

The  have had the farm for many years, and are trying to diversify into other ventures which are proving to be a success with the visitors to the tents and Shepherds hut on their land.

Surely anyone would be willing to support this young family on their ventures, and  wish them nothing but good luck with their plans to make the site more accessible.
