APPLICATION NUMBER 3/2022/0795

I am writing to submit my full support to the application made by DMD DESIGN.

I pass this business on an almost daily basis at different times of day and night, regularly admiring how beautifully maintained and presented this business is. I am also a regular customer and I have never observed anything of concern whilst being run as a "mixed use" business. I believe it to be run without any disturbance to neighbours and do not foresee any future problems of this nature.

DMD DESIGN is an absolute asset to Longridge and the Ribble Valley. The core concept and professional delivery of such is not replicated anywhere else in the town or surrounding areas and it is something to be supported and encouraged in these very worrying economic times.

I wish [REDACTED] every success and fully support this application without any hesitation.
