Dear Mark,

I hope you are well. I have recently been contacted by a local constituent of mine, Diane Despard, who has written to me with regards to her planning permission at DMD Design. From what I can understand, it seems as Ms Despard' business has an alcohol license but stills operates as a retail shop not a mixed-use premise.

Having personally visited DMD Design premises, I can see how the business is not only an asset to Lower Lane and Longridge but also showcases a unique concept. From my understandings, there has been no nuisance or disturbance with the local surroundings.

I look forward to your response.

Best,

Nigel
