Comments: DMD DESIGN is such a wonderful and unique shopping experience where customers can browse in their leisure and enjoy a glass of wine or gin and tonic whilst they do so. It's such a lovely concept as the destination shopping experience draws people to longridge from far an wide. It is very tastefully set out and always has a peaceful and calming atmosphere to it. [REDACTED] it's so good to have diverse and bespoke places such as DMD to keep the face to face shopping experience alive in today's online frenzy world. Keeping people connected and socialising is an important part of our existence. Xxx♥

Comments: I really enjoy visiting DMD design and having a look round then being able to enjoy a drink after. [REDACTED]
[REDACTED] It's a perfect little place for us to visit together and is an asset to the community. Most of the patrons are older and it's a lovely little hub for the folks of Lower Lane and the surrounding area who may not be able to get into the centre of Longridge.
