Planning Application Reference No.: Application 3/2022/0841

Address of Development: Greystones

Comments: I write to object to the planning for this strip of land for allotment use. The land was agricultural and now appears as it is a residential garden with pond and decking for social use. This strip of land is adjacent to [REDACTED] hence my concerns for this development. [REDACTED] music played loudly, sounds of machinery for building, and worries for further development without the correct planning occurring on the land adjacent to [REDACTED]

I also concur with everything in the objection submitted from the Parish Council.
