Dear Kathryn Hughes

I would like to register my objection to the proposed pond and decking [REDACTED]  
[REDACTED]

Since this part of Dinckley has changed its use, there has been much disturbance to my living conditions in several ways including noise and privacy.

[REDACTED] but I'm sure this pond and decking will be a source of noise and privacy invasion.

I would be grateful if you would consider my objection and refuse the amendment and have this area restored to its original state.

Yours sincerely
