Hi Neil / Andy,

My name is Ben and I am the case officer for the above application. LCC Highways have responded with a request for additional information with regards to the proposed development (see response attached above).

To summarise, the LHA have queried the following:

- Proposed usage for the first floor of the property. **Storage only, no accommodation.**
- Anticipated number of customers. **Maximum 4 clients at any one time.**
- The LHA have stated that they would not condone vehicle parking on the adjacent unadopted side street – please can you confirm the proposed location(s) for customer vehicle parking. **No intention for parking in that location. Client parking will be on the main A666 as there are no parking restrictions on there. See link below.**

Please could you provide the requested information to myself as soon as possible.

Regards,

Ben.
