To whom it may concern,

 7 St Chad's Ave, Chatburn, Clitheroe BB7 4AN, have shared their plans with us for a proposed extension at the back of their property.

We are at   from them. Our only concern would've been if they had a window  as this is not the case, we have no objection to what they are proposing. We support it as it would also give us more privacy in 

Yours faithfully,
