Planning Application Reference No.: 3/2023/0974

Address of Development: Stoneygate Lane, Ribchester

Comments: Stoneygate Lane in Ribchester already has numerous holiday lets. I think that the market for holiday lets in Ribchester has well & truly been flooded. How can more holiday lets in this area be justified ?Stoneygate is a busy road with a 60 mile an hour speed limit, there is no pavement and no street lighting. The number of pedestrians using stoneygate has increased since all the holiday lets its just an accident waiting to happen.
Ribchester is supposed to be a small village yet we keep letting more and more buildings fill our green spaces inpacting on the wildlife, light polution & noise.
Are all the existing lets in the area full to capacity ? I don't think so, so why do we need more ? Maybe a back route to get change of use to a residential property in the future.
I object to this application
