**DEVELOPMENT PROPOSED:** Proposed raised roof to form dormer bungalow, demolition of existing conservatory, part two storey/single storey side extension and single storey rear extension.

**AT:** 1 Moorland Road Langho BB6 8EX

Ribble Valley Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission **has been refused** for the carrying out of the above development for the following reason(s):

- 1 The proposed development, as a result of its design and proximity to a shared boundary, would lead to overlooking of the rear conservatory and garden area of No. 3 Moorland Road leading to a loss of privacy and sense of enclosure which in turn would be unduly harmful to the amenity of the neighbouring occupants. Accordingly, the proposed development is considered to be in conflict with Policy DMG1 of the Ribble Valley Core Strategy and Paragraphs 130 (e) and 134 of the NPPF.
- 2 The proposal is considered to be in conflict with Policies DMG1 and DMH5 of the Ribble Valley Core Strategy and Paragraph 130 of the NPPF in as much that the cumulative visual impact of the works proposed to the existing property would result in the introduction of an overbearing, unsympathetic and incongruous form of development that would be harmful to both the character of the host property and visual amenities of the area.

**APPLICATION NO: 3/2022/1030**

**DECISION DATE: 22 December 2022**

- 
- 1 Applications for planning permission are assessed against the National Planning Policy Framework and the policies within the Core Strategy for the Ribble Valley. The Local Planning Authority adopts a positive and proactive manner and will consider representations, liaise with consultees, and seek amendments to proposals where appropriate within statutory timescales.

The proposal does not comprise sustainable development and there were no amendments to the scheme, or conditions that could reasonably have been imposed, which could have made the development acceptable. It was therefore not possible to approve the application.

## **Notes**

### **Right of Appeal**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

### **Purchase Notices**
