Regarding planning permission  
3/2022/1075

I am unable to comment on line as it does not recognise my address [REDACTED] although the letter of proposed amendments were sent to my address please can you verify if you receive this email

Many thanks

My concerns are as follows

1. There is already planing permission for a large garage at the side of the property and now planning permission is now being sought for a large garage at the bottom of the garden with 3 windows a front door and a bathroom, so I would query its usage as a garage.
2. The proposed garage would be only a [REDACTED] from the [REDACTED] there are mature trees aprox 8x 30ft plus and would be concerned that these would be removed or damaged with the digging for the foundations they have already been stopped by a neighbour after trying to [REDACTED]
