This technical diagram illustrates a double gate entrance. The overall height of the structure is marked as 2m. The height of the central opening is indicated as 1.6m. The diagram shows two main gates, each featuring a curved top and vertical slats. On either side of the gates are stone walls. The left wall is labeled with dimensions of 2m in height and 1.6m in width. The right wall includes a post slot and a call point (CL). Labels on the right side of the diagram identify the 'Electric metal gates', 'Intercom', 'Post slot', 'Natural stone walls', and 'Dressed stone posts'.
