Dear Stephen Kilmartin,

RE: Planning Application No: 3/2022/1158 Grid Ref: 373496 436102

Proposal: Erection of 17 dwellings and 57 apartments with associated access, roads, car parking, landscaping and infrastructure, including a public car park to serve Whalley town centre

Location: Land South of Accrington Road Whalley.

The above application was brought up as a matter of interest by residents during the Public Forum of Whalley Annual Parish Meeting particularly in respect of the public car park.

Concerns were raised that Ribble Valley Borough Council have commented that Whalley didn't have a requirement for a public car park.

The issue of the need for public car park has been on the Council's agenda over many years. The Parish Council would like to reinforce the necessity of a public car park on the Accrington Road development and to confirm that the Parish Council will consider adopting it if Ribble Valley do not.

Please note and acknowledge our comments.

Yours sincerely,

Liz Haworth
Clerk and Responsible Finance Officer
Whalley Parish Council
