**Address of Development:** Accrington Road  
Whalley Clitheroe

**Comments:** Building on a flood plane is ridiculous..  
Whalley does not have the infrastructure for further building development.  
Parking is terrible at present,  
Schools , Doctors etc are hard pushed to accommodate the residents needs without adding more.  
The roads would become dangerously busier and cause traffic delays..  
Whalley is a village and needs to remain so.
