Dear Madam or Sir,
Ref Planning Applications 3/2023/0002; 3/2023/0006 and 3/2023/0008

In the past the RVBC has a good record of controlling traditional signage to maintain the integrity of the town centre conservation area.

I believe these proposed digital moving signs will be highly detrimental to that integrity and if permitted will make a precedent so that numerous further applications will be difficult to resist.

Yours sincerely,
