4. Details of the proposed development

Is the proposal reasonably required for the purposes of agriculture? (Please explain why)

Root over the Slurry Store will increase Capacity as this will stop rainfall getting in. ~~and imp~~ We also have a RPA government grant for this and has also been approved by the local CSF officer.

Is the proposed development designed for the purposes of agriculture? (Please explain how)

Yes it will cover our slurry store which will stop rainfall getting in and increase quality of slurry therefore using less feed.

Are there any future plans that are relevant to the proposed development? (Expansion of herd/diversification ect.)

No
